This Data Processing Agreement (DPA) forms part of the agreement between VoxBulk Ltd (Processor) and the business customer (Controller) that creates a VoxBulk account.

By accepting Terms, Privacy Policy and this DPA at signup, you agree to these terms.

1. Roles

For end-user personal data (candidates, survey respondents, customers, feedback contacts), you are the controller and VoxBulk is the processor. For account, billing and website visitor data, VoxBulk is the controller (see Privacy Policy).

2. Subject matter and duration

We process personal data only to provide enabled VoxBulk services (AI interviews, WhatsApp surveys, AI calling surveys, customer feedback, Expo, broadcast campaigns, booking/CRM integrations and support) for the subscription term plus retention below.

3. Categories of data

May include: name, phone, email; messaging content and delivery metadata; call recordings and full transcripts; survey answers; interview scores and summaries; feedback ratings and voice notes; booking/CRM sync identifiers you connect.

4. Nature and purpose

Collection, storage, transmission, transcription, scoring/summarisation where configured, dashboard display, delivery via messaging/telephony partners, and deletion/anonymisation. Processing only on your documented instructions.

5. Retention

Call recordings and full transcripts: 30 days by default, then deleted/inaccessible.

Other operational data on VoxBulk servers (WhatsApp bodies, structured responses, scores, reports): 90 days by default, then anonymised or deleted.

Account and billing records: while active and up to 24 months after closure (or longer if legally required).

6. Your obligations

You must have a lawful basis (and consents where required) under UK GDPR and PECR to instruct contact of data subjects. Provide privacy notices; honour STOP/opt-outs; use the Service for lawful business purposes only.

7. Our obligations

Process only on instructions; confidentiality; appropriate security; assist with

data subject requests; notify breaches without undue delay; delete/return data at end of services subject to retention and legal holds; provide compliance information.

8. Sub-processors

You authorise categories: hosting; telephony and messaging partners; AI speech, transcription and language providers; payment processors; email delivery.

Individual vendor names available on request from Data.Pro@voxbulk.com.

9. International transfers

Production data is intended for UK/EU. Transfers outside UK/EU use appropriate safeguards (e.g. UK IDTA / Addendum or equivalent).

10. Security

Encryption in transit and at rest; RBAC; tenant isolation; encrypted integration credentials; logging; need-to-know staff access.

11. AI and recording

Voice AI calls include disclosure that an AI assistant is speaking and that the call may be recorded. Customer recordings/transcripts/survey replies are not used to train foundation models.

12. Audits

Reasonable written requests for information/questionnaires (normally once per year).

On-site audits by mutual agreement.

13. Liability and law

Liability subject to Terms and Conditions. Governed by laws of England and Wales.
